

MESAIEED INTERNATIONAL SCHOOL, MESAIEED, QATAR

TEACHERS

Mesaieed International School is owned and operated by Qatar Petroleum, the State owned Oil & Gas Corporation. This project which will eventually complete the three levels of Education available, Foundation, Primary, and Secondary, is in its final phase of expansion.

The school operates a British system of education and follows the National Curriculum of England and Wales. As a consequence of rapid expansion within Mesaieed, the corporation is seeking to recruit additional staff for the School Term starting in September 2012, and require applications from all disciplines including –

SECONDARY - ENGLISH

For all positions recent National Curriculum Experience in the British System is essential, together with a demonstrable history of teaching at a particular level, and for Secondary Staff positions candidates must possess experience and relevant qualifications in teaching A2 level.

PLEASE NOTE: QTS is essential as is two years working in the UK and a degree.

Primary Purpose of the Job

- To teach to the standards set for Qualified Teacher Status (QTS)
- To ensure high standards of achievement for pupils.

Principal Accountabilities

- To maintain a secure knowledge and understanding of the subject specified in the National Curriculum.
- To have a secure knowledge and understanding of the concepts and skills in their specialist subject(s), at a standard equivalent to degree level to enable them to teach confidently and accurately, and, where relevant, post-16.
- To have, for their specialist subject(s), where applicable, a detailed knowledge and understanding of the National Curriculum programmes of study, level descriptions or end of key stage descriptions and, where applicable, National Curriculum programmes of study for KS4 with the relevant KS4 and post-16 examination syllabuses and courses, including vocational courses.
- To ensure that pupils are healthy and safe on school premises and when leading activities off the school site, such as educational visits, school outings or field trips.
- To ensure reasonable practice for the purposes of safeguarding or promoting children's welfare.
- To have established, during work in schools, effective working relationships with professional colleagues including, where applicable, associate staff.
- To assist Academic Head of Subject in running of department and teaching of subject.

Knowledge, Skills & Experience

- University graduate and Qualified Teacher Status (QTS).
- Experience appropriate to length of service.
- Expertise in the teaching of the subject.

Contacts

- Teachers, Teaching Assistants, Head Teacher, Head of Secondary, Heads of Sector, Academic Head of Subject, administration staff, students and on occasion parents.

Problem Solving

- Adapting the National Curriculum of England and Wales to meet the diverse and challenging needs of our international cohort of pupils.
e.g. differentiating lesson material due to a wide range of English reading and writing abilities.

Decision Accountability

- Through weekly lesson planning teachers decide on the appropriate strategies and teaching materials to use in delivering the learning objectives to the pupils.
e.g. teachers can vary their teaching styles to best meet the individual needs of their children.

Successful candidates will be employed by Qatar Petroleum and enjoy the full benefits of working for the corporation, including, Tax Free Salaries, Free Accommodation and Utilities, Interest free Car Loan, Medical Cover, Airfares, Generous paid holidays, and excellent sporting and recreational facilities.

Interviews will be held in London in February 2012 and successful applicants will be expected to take up their positions in August 2012.
